### 1. Call to Order - Roll Call

The meeting was called to order by Chairman Mark Hake at 1:32 PM.

Mark Hake announced Beaumont Police Chief Sean Thuilliez has been selected to replace Hemet Police Chief Dave Brown as the Community Corrections Partnership Executive Committee (CCPEC) representative for the Police Chiefs of Riverside County.

Mark Hake acknowledged Judge Dugan's presence and welcomed her to the meeting.

Roll call of the members:

Mark Hake, Chief Probation Officer, Chairman  
Becky Dugan, Superior Court, Presiding Judge  
Steve Harmon, Public Defender, Vice Chairman  
Michael Hestrin, District Attorney  
Sean Thuilliez, Beaumont Police, Chief

Not in attendance:

Zareh Sarrafian, Assistant County Executive Officer, Riverside University Health System (RUHS)  
Stan Sniff, Sheriff

### 2. Approval of Minutes

Mark Hake entertained a motion to approve the CCPEC meeting minutes dated November 1, 2016 (handout). The motion was moved by Sean Thuilliez and seconded by Steve Harmon. The motion was approved as follows:

Aye: Hake, Harmon, Hestrin, Thuilliez

Nay: None

Absent: Sarrafian and Sniff

Abstain: Dugan

### 3. Midyear Budget Report

Probation Administrative Services Manager Cherilyn Williams provided an overview of the FY 2016/17 CCPEC Financial Reports for the period July 1, 2016 to December 31, 2016 (handout).

- The Public Defender, Probation, and Police agencies are estimating to fully expend their CCPEC allocations for FY 2016/17.
- The Sheriff's Department estimates it will rollover unexpended allocations of \$1.9M for FY 2016/17.
- RUHS projects a shortfall of \$365,664 for FY 2016/17.
- The Financial Reports for the third quarter are due Monday, April 17, 2017.

- The State monies have been received on regular intervals. To date, \$41.3M has been received.

Mark Hake stated the report indicates more of the allocations are being spent causing less rollover for subsequent years. There is an estimated \$1.5M in potential rollover at the end of this fiscal year which is significantly less than the preceding years.

Mark Hake reminded the committee that the budget presentations by all the agencies will be heard at the next CCPEC meeting on June 6. Probation will share further clarification on available funding from the State once the Governor's May Revise information is released.

Mark Hake entertained a motion to approve the CCPEC Midyear Budget Report dated April 4, 2017. The motion was moved by Steve Harmon and seconded by Sean Thuilliez. The motion was approved as follows:

Aye: Hake, Harmon, Hestrin, Thuilliez

Nay: None

Absent: Sarrafian, Sniff

Abstain: Dugan

#### 4. 5-year evaluation of Realignment Implementation Request for Proposal (RFP) Update

Probation Division Director Tari Dolstra presented a brief update on the bids for an evaluation of the county's implementation of AB 109. Tari Dolstra acknowledged the committee for their response to bidder questions in the RFP bid process. A meeting has been scheduled May 1 to review the bids.

#### 5. Proposition 57 Update

Chief Deputy Ron Miller distributed and reviewed a fact sheet from the California Department of Corrections and Rehabilitation (CDCR) titled *Proposition 57: Credit Earning for Inmates* (handout). CDCR is attempting to incentivize programs to ensure people are attending the programs and improve the behavior. Changes to good conduct credits will slightly increase the number of PRCS releases for the remainder of the year.

#### 6. Workgroup Reports

- a) Measurable Goals – Mark Hake stated the Measurable Goals workgroup is working on the 5-year evaluation of Realignment Implementation RFP (Agenda Item 4).
- b) Fiscal – Nothing new to report.
- c) Health and Human Services – Deputy Director Deborah Johnson stated that the Health and Human Services workgroup met on March 16, and are working on two initiatives.
  1. Developing a communications tool to send to the probation officer if the AB 109 client does not show up to their clinic appointment.
  2. Now that Mental Health's discharge plans are established in four out of five jails, they will meet with the Transition and Reentry Unit (TRU) probation officers to ensure the discharge planning is not being duplicated.
- d) Day Reporting Center – Tari Dolstra reported the number of DRC clients continues to rise: Riverside 200, Indio 140, and Temecula 110. Probation has met with the individual partners to review MOUs.

## 7. Staff Reports

- a) Probation – Assistant Division Director Jason Beam reviewed the AB 109 Status Report, Post-Release Community Supervision (PRCS) Fact Sheet and PRCS Population by City dated March 1, 2017 (handout) as follows:

- Grand Total PRCS Active Supervisions – 1,652
- Grand Total Mandatory Supervision (MS) Active Supervisions – 1,070
- PRCS Incarcerations since 10/1/11 – 2,671
- Flash PRCS Incarceration Offenders since 10/1/11 – 1,657
- Average days on Flash is 6.3 days

Tari Dolstra briefly reviewed the PRCS Fact Sheet dated March 1, 2017(handout). The only significant change since November 2016 was an 8% drop in crimes, with the largest drop in drug possession and property crimes.

Tari Dolstra reviewed the PRCS and MS Population by City reports (handouts). Transitional housing has increased. Additional housing providers have been added to the options available. Currently there are 110 clients benefitting from transitional housing.

Thus far Probation has been tracking and reporting out on the use of flash incarceration on the PRCS population. However, Governor Brown signed into law the ability to use flash incarceration on the felony adult probation population as well as on the MS population. Probation is working with the Courts to develop the forms and the process.

- b) Sheriff – Chief Deputy Scot Collins reviewed the AB 109 Impact Update dated March 1, 2017 (handout).

- Parole Violations (3056 PC) – 76 inmates in custody
- Flash Incarcerations (3454 PC) – 7 inmates in custody
- PRCS Violations (3455 PC) – 71 inmates in custody
- Inmates Sentenced under 1170(h) PC – 386 in custody with 151 of these inmates sentenced to 3 years or more with the longest sentence of 13 years.
- Alternative incarceration methods – 52 current fire camp participants; 35 beds of RSOs Supervised Electronic Confinement Program are 1170(h) inmates; 29 inmates are currently housed in an Imperial County contract bed.
- The construction at the East County Detention Center it is more than halfway done.

- c) RUHS – Administrator Bill Wilson distributed and reviewed the Correctional Health AB 109 Utilization by Quarter report dated April 4, 2017. The new report captured information for the last two quarters. The intent, however, is to have four quarters with a rolling year. Highlights of the report:

- Every AB 109 patient receives a health assessment and screening.
- Selected AB 109 patients receive specialty care, such as: ER send-outs; safety cell; segregation; sober cell.
- 1M pills per year are being distributed.

- Services provided to AB 109 patients are: dental; medical-MD; medical nurse practitioners; medical-nurse; lab report.
  - If any inmate refuses care, they must refuse it to the medical provider not the deputy.
  - The post discharge encounters, such as: RUHS – ER; RUHS – inpatient; RUHS – MC clinics; RUHS – FQHC clinics, were reviewed.
- d) Police – Sean Thuilliez reported that on March 22, the Central PACT organized a sweep in the Murrieta, Temecula and Lake Elsinore areas. The team visited 64 locations. There were 15 arrests and a 76% compliance rate, which fulfills the mission of the PACT team. The state funding for PACT has been extended by one year and they have one year contingency funding. He anticipates the loss of state funding for PACT in future years.
- e) District Attorney – Assistant District Attorney Elaina Bentley reviewed the District Attorney's AB 109 Mid-Year Report (handout).
- Supervised Release Violations Filed (PRCS) – 1304
  - Parole Violations Filed – 432
  - Felony Cases Filed involving Supervised Release Violations (PRCS or Parole) – 9,928
  - Comparing the activities of the PACT Team's total number of searches and arrests in 2016 they should be on target to increase number of violations by 27% in 2017.
- f) Public Defender – Nothing to report.
- g) Court – Judge Dugan stated the Prop. 47 is still reducing the jail population including AB 109, but at a slower pace (50 per week vs. 50 a day). Judge Dugan has screened over 16,200 Prop. 47 cases with 11,000 grants. Judge Dugan is also the screener of Prop. 64 cases. The Public Defender's office filed recently 500 cases to the Court. Over 70% of the Prop. 64 cases are already on Probation. Judge Dugan anticipates being through the Prop. 64 cases in six months.

#### 8. Public Comments

There were no public comments.

#### 9. Next Meeting – June 6, 2017, 1:30 PM.

The meeting was adjourned at 2:30 PM.

An attendance sheet was signed by all present and will be kept on file.

Meeting minutes submitted by Executive Secretary Cindy Napolitano.

**Submittal to the Community Corrections Partnership  
Executive Committee**  
**June 6, 2017**

**Agenda Item 4**

**From:** Probation Department

**Subject:** FY 2017/18 Reentry Consulting Agreement and Conference

**Background:** Reentry refers to the transition of individuals who are incarcerated in prisons or jails back into the community after release. Currently, there are reentry efforts emerging throughout the U.S. and in California that employ evidence-based strategies focused on comprehensive planning and coordinated service delivery to increase the likelihood that individuals will make safe and successful transitions back into their communities after incarceration.

Reentry Councils, Partnerships, and/or Roundtables refer to groups that are organized to coordinate local reentry efforts. They may focus on: (1) sharing local reentry information and resources; (2) developing directories of local reentry services; (3) organizing collaborative reentry planning and policy development; (4) and/or encouraging public engagement in local reentry efforts. Membership in various Reentry Councils, Partnerships, and/or Roundtables may differ, though most aim to engage multiple community reentry stakeholders including local government agency leadership, community service providers, individuals who have been previously incarcerated and/or their family members, and other community leaders.

Ms. Deanna Allen has been an active participant of the California Reentry Council Network (CRCN) and was a steering committee member for the exceptionally successful and sold out "Reentry Solutions for Success" conference held in September 2015 and sponsored by the Federal Reserve Bank of San Francisco. This conference was the first of its kind in California bringing together a wide range of reentry stakeholders from government agency representatives to community service providers to individuals with lived experience of personal or family involvement in the criminal justice system. As Co-Chair for this event, Ms. Allen demonstrated a unique ability to successfully lead the organizational process through visionary planning, inspirational and compelling energy, clear and organized communication skills, and solid connections to experts in the reentry field throughout the state. The event was so successful Ms. Allen Co-Chaired a similar type of event and second Reentry Conference held in Southern California in October 2016.

**Submittal to the Community Corrections Partnership  
Executive Committee  
June 6, 2017**

**Agenda Item 4**

**Project Proposal:** It is proposed that Ms. Deanna Allen provide consulting services to the County of Riverside to assist in identifying opportunities to improve upon its reentry efforts, its success stories in recidivism reduction and ultimately improving the quality of the lives of men, women and teens returning to Riverside communities.

The initial phase of the project will be to perform a non-exhaustive audit of the county's community dynamics and collaborative efforts in the criminal justice system. This will help determine cross-sector stakeholders who should be taken into consideration in developing a county wide Reentry Conference. Meetings with key stakeholders will be conducted in partnership with Riverside County bringing a select steering committee together who will collaboratively design the most effective Reentry Conference Riverside could provide. Some key objectives and desired outcomes of this Reentry Conference will be to lead an initiative in Community Awareness, identify gaps in Public Safety Awareness, review current collaborations and identify new opportunities. The final phase of the project will occur post conference which will be to make recommendations and remain available, if parties agree, to assist Riverside County in developing new key relationships and building capacity within its community based organizations and partnerships.

**Project Timeline:** Conference Proposed Date Fall 2017 or Early 2018

**Project Proposed Budget:** Not to exceed \$50,000

**Recommended Motion:** That the Community Corrections Partnership Executive Committee:

1. Approve the use of the CCPEC Planning Grant Funds for a consultant agreement with Ms. Deanna Allen and a Reentry Conference for Riverside County.

**Submittal to the Community Corrections Partnership  
Executive Committee**  
**June 6, 2017**

**Agenda Item 5**

**From:** Fiscal Procedures Work Group

**Subject:** FY 2016/17 Community Corrections Partnership Executive Committee (CCPEC) Financial Reports for the period July 1, 2016 to March 31, 2017.

**Background:** On Tuesday, November 1, 2016, the CCPEC approved the FY 2016/17 AB 109 budgets. Additionally, as previously approved by the CCPEC, the quarterly reporting template provides a method of financial reporting every 90 days by each CCPEC agency. The initial reporting period was for the nine months ending March 31, 2017. The due date for the report was April 17, 2017.

The template includes a narrative component for providing budget status, identifying/addressing budget and program concerns, and a summary of AB 109 activities performed during the reporting period.

The Probation Department, as the fiscal administrator of the AB 109 Funds, has prepared the attached Summary of Expenditures (Schedule A) based on the financial schedules provided by each individual CCPEC agency. Each agency's submitted financial schedules are also included in the attached report.

**Summary of Expenditures (Schedule A)**

The attached FY 2016/17 Financial Report – Summary of Expenditures (Schedule A) summarizes the CCPEC agency budgets as approved on November 1, 2016:

- CCPEC Budget \$80.34M
  - \$68.32M, FY 2016/17 Annual Allocation
  - \$4.28M Contingency Funds.
  - \$5.81M FY 2015/16 Rollover Funds.
  - \$1.93M FY 2015/16 Growth Funds
- Other Funds \$8.14M
  - \$1.82M, additional funding for District Attorney and Public Defender.
  - \$0.63M, DA's FY 2015/16 Rollover Funds from DA/PD State Allocation
  - \$1.12M, AB 109 Planning Grant, including rollover funds.
  - \$4.56M PRCS – 2<sup>nd</sup> Strikers funding for Probation.

**Submittal to the Community Corrections Partnership  
Executive Committee**  
**June 6, 2017**

**Agenda Item 5**

Each CCPEC agency has provided their FY 2016/17 Third Quarter Financial Reports. The reports include information as to their actual expenditures for the period July 1, 2016 to March 31, 2017, and year-end estimates through June 30, 2017 (for the Operating Funds and Other Funds). The Public Defender, Probation and PACT are estimating to fully expend their respective CCPEC allocations for FY 2016/17. The Sheriff is estimating to rollover \$2.12M into the next fiscal year while the Riverside University Health System (RUHS) is projecting a shortfall of \$2.26M.

Overall, the total year end estimated expenditures for all the CCPEC agencies are approximately \$80.42M, a net shortfall of \$0.14M (\$2.12M in Sheriff rollover funds less \$2.26M in HHS shortfall).

The FY 2016/17 Financial Reports for the twelve months ending June 30, 2017 are due Monday, August 7, 2017.

**Other Period 3 Financial Report Highlights**

- The FY 2016/17 allocation of \$68.32M in payments to Riverside County averages approximately \$5.69M per month.
- The total AB 109 Operating Funds received year to date (commencing September 2016), inclusive of the May 2017 allocation - \$46.04M.
- To date, payments have averaged approximately \$5.91M and have been received in regular monthly intervals (next payment scheduled for June 20, 2017).

Recommended Motion: That the Community Corrections Partnership Executive Committee:

1. Receive and file the FY 2016/17 Financial Report – Summary of Expenditures (Schedule A) and the individual CCPEC Agency Financial Reports.

Respectfully submitted on behalf of the  
Fiscal Procedures Work Group,

**NARRATIVE**

**1. Description of current budget status, including any known or potential problem areas within the budget and options and/or recommendations for addressing these issues.**  
*(Please include in this section budget details such as number of filled/vacant positions, fixed asset expenditures, etc.)*

Expenditures for the period of July 1, 2016 through March 31, 2017 were approximately \$11,17 M. Expenses primarily included salaries and benefits for the department's AB 109 filled positions (146) and operating costs. At the beginning of the year, the Desert Services Day Reporting Center in Indio became fully operational. There are now three Day Reporting Centers in full operations. In March, the F11 for Moreno Valley expansion project was passed but is not expected to be completed until the beginning of the new fiscal year. Another expansion project that was still in the initial stages, Hemet DRC has been placed on hold until further budget re-evaluation. With the cut in AB 109 funding this year, other funding sources (i.e. 2nd Strike funds) will need to be sought out. Current vacant positions are for sworn and support staff to be placed in these new locations. Probation is not anticipating any savings/roll-over to bring into the new fiscal year. Costs and program services continue to increase such as providing bus passes, clothing, tattoo removal service, evidence-based programs, electronic monitoring, sex offender treatment services and other special program support services (i.e. expanding Transition Re-entry Unit program to increase Whole Person Care (WPC) with the range of hours available and the number of defendants to be contacted for the AB109 population). Other costs include standard operating costs, costs of equipment/fixed assets, and indirect costs.

**2. Provide a summary of AB 109 activities performed during the reporting period (if desired, copies of the monthly CCPEC reports may be attached).**

As of March 1, 2017, total Post-release Community Supervision (PRCS) assigned to a caseload - 1,496, and 156 pending assessment, for a total active supervision of 1,652 ; Mandatory Supervision cases ordered by the Court - 6,561 and 1,070 Mandatory Supervision clients assigned to a caseload, and 135 pending assessment, for a total active supervision of 1,070. Total PRCS and MS Offenders assigned to a caseload - 2,722.

Effective February 10, 2014 action was taken to increase the goodtime credits of nonviolent second strike offenders from 20% to 33.3%. It was anticipated that early released offenders will be released to county supervision. On average, offenders are being released 33 days prior to their scheduled release date. A project code was established for staff to track hours associated to program activity included in tracking time are analyst for data capturing and reporting. Other anticipated cost is to partially fund Hemet-DRC project. With the cuts in AB 109 Realignment funds this year, 2nd Strike monies may need to contribute to expand services for these populations at the Hemet DRC or any other locations.

NARRATIVE

1. Description of current budget status, including any known or potential problem areas within the budget and options and/or recommendations for addressing these issues.

The spending plan for the Sheriff's Department included funding to help mitigate the impact of Realignment inmates in the local jails, provide for new and enhanced alternatives to incarceration, and deliver meaningful programming to incarcerated Realignment inmates in an effort to provide tools for their successful return to the community. Most of the funding budgeted for related salaries and overtime costs are on track to be exhausted. Contract beds, through our fire camp program and Imperial County are expected to continue at last fiscal year's level.

2. Provide a summary of A3 109 activities performed during the reporting period (If desired, copies of the monthly CCPEC reports may be attached).

During this period, the Sheriff's Department continued participation in the CDCR fire camp program and with Imperial County contracted beds. The department also continued to roll out programming opportunities for in-custody Realignment inmates. The Department continues to refine its processes for inmate evaluation using evidence-based practices and work with other state and local agencies on data gathering and analysis. The local jails continue in a chronic state of overcrowding, requiring early releases pursuant to Federal Court Order. Further data covering the impact of Realignment on Sheriff's Corrections is reflected in the attached monthly reports.

## MEMORANDUM

June 6, 2017

**TO:** Executive Committee of the Community Corrections Partnership

**FROM:** Michael A. Hestrin, District Attorney

**SUBJECT:** Fiscal Year 2017-2018 Proposed Budget

Our FY 2017/2018 budget request conveys a continued commitment to address those qualifying offenders who have committed crimes, which the legislature deems non-serious, non-violent, and/or non-registerable sex offenses. The import of our commitment is even greater in light of the most recently identified violent crime increases in our county, which indicate an escalation in criminal conduct in offender populations. Notably, in the last 18-months Riverside County has seen a significant uptick in violent crime (homicide, rape, robbery, and aggravated assault), with the top five Riverside County cities with populations in excess of 100,000, reporting increases in the most extreme case to upwards of 66%.<sup>1</sup>

Current staffing levels are sufficient to address the ongoing direct impact of Public Safety Realignment on our operations:

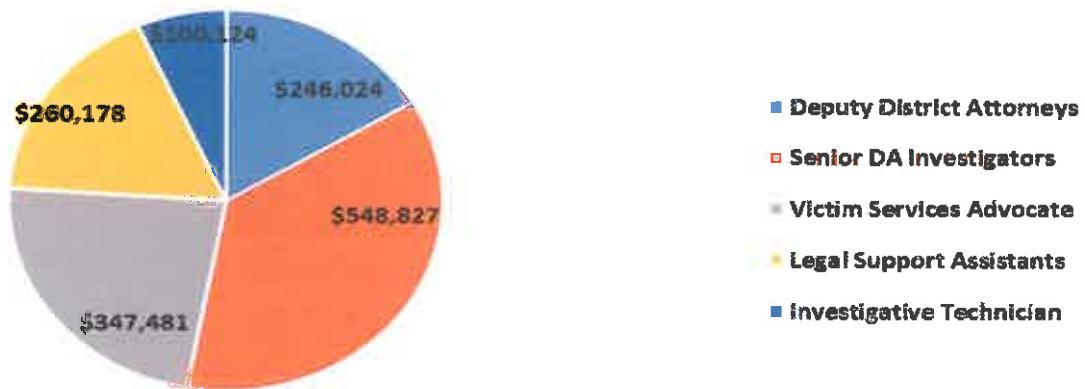

FTE	Position
1.25	Deputy District Attorney IV
3	Senior District Attorney Investigator
1	Investigative Technician
4	Victim Service Advocates
3	Legal Support Assistants

### Funding Analysis

<sup>1</sup> Sources: FBI UCR TABLE 4-100K population cities-Prelim Jan-June 2016:2015

To maintain current staffing levels the department requires \$1,502,635. Funding for Public Safety Realignment comes in part from State issued funds, which are shared by the District Attorney and Public Defender. The balance typically comes from the CCPEC Committee. For FY 2017/2018, the District Attorney will utilize our State allocation to cover the total cost of our AB 109 efforts. Our state allocation for this fiscal year is estimated at \$904,969 (including anticipated growth funds) the District Attorney's Office will also be able to pull additional resources from State allocation carry over funding to cover ongoing costs. As a result, the District Attorney's Office will not be requesting any additional funding resources from CCPEC for FY 2017/2018.

### **CCPEC District Attorney Projected Expenditure \$1,502,635**

Budget needs:	\$1,502,635
Anticipated State DA/PD funds	(\$904,969)
State DA/PD Rollover	(\$597,666)
CCPEC request	\$0

### **Final Synopsis**

In FY 2016/2017, the Office of the District Attorney experienced staffing gaps in the PACT team (due in part to absorbed attrition and in part to work related injury). This caused lower than projected expenditures. Resultant unspent funding will roll over to FY 2017/2018. As a steward of the public trust, the District Attorney recognizes the depletion of available funding for this program at the State level and appreciates the resulting impact on its County partners. Therefore, the Office of the District Attorney will not be requesting additional funding from the Committee this Fiscal

Year. However, we do anticipate this Committee to continue support for our committed 12.25 positions in FY 2018/2019. At that, time will be returning for appropriate funding from this Committee.

**LAW OFFICES OF THE PUBLIC DEFENDER**

**FY2017/18 AB109 PRESENTATION**

**JUNE 6, 2017**

The following is a summary of the types of cases currently handled by the Law Offices of the Public Defender as a result of the mandates of AB109 realignment:

**PRCS cases:**

When a court sentences an individual for a “non-violent”, “non-serious”, and/or “non-high risk sex” offense and that individual is then released, they fall under the Probation Department’s Community Supervision. However, when that released individual violates the terms of their release (i.e. they commit an additional offense, fail a drug test, etc.), the Law Offices of the Public Defender is required to represent him/her in regards to the alleged violation. These matters are referred to as “Post Release Community Supervision” or “PRCS” cases and require the Public Defender’s Office to appear and represent the accused violator.

The below indicates the average of PRCS cases that our attorneys handle on a monthly basis:

**FY11/12:**

Average - 38 cases/month (Total 342 cases for 9 months)

**FY12/13:**

Average – 112 cases/month (Total 1346 cases)

**FY13/14:**

Average -150 cases/month (Total 1796 cases)

**FY14/15:**

Average – 134 cases/month (Total 1605 cases)

FY15/16:

Average – 125 cases/month (Total 1494 cases)

FY 16/17:

A total of 1028 cases (through 3/31/17)

The PRCS calendar is heard at the Banning Justice Center 5 days per week without exception. As the location for this calendar was previously Riverside our Office had to transfer personnel to Banning to manage this calendar. Our personnel are trained on this calendar and handle it efficiently. As such, the Public Defender's Office is seeking the same number of personnel as last year's budget requested to fulfill this obligation.

Parole Cases:

Since July 1, 2013, the Public Defender's Office has been responsible for representing individuals who are accused of violating the terms and conditions of their parole. This was a completely new task for our Office. Unlike PRCS cases, these individuals have been released from prison for typically more serious and in some cases more violent offenses, and their criminal history is often more significant and serious than the PRCS population.

The below indicate the number of parole violation cases this Office's attorneys typically handle on a monthly basis:

FY11/12:

n/a

F/Y12/13:

n/a

FY13/14:

Average 70 cases/month (Total 838 cases)

FY14/15:

Average 66 cases/month (Total 794 cases)

FY15/16:

Average 75 cases/month (Total 900 cases)

FY16/17:

Total 494 cases (through March 31, 2017)

#### Funding for PRCS and Parole Cases

In order to carry out our responsibilities for PRCS and Parole cases in FY17/18, the Public Defender's Office will need to maintain the same level of personnel:

- 2 Deputy Public Defenders
- 2 Legal Support Assistants
- 2 Social Services Workers

The attorneys handle the defense for the PRCS and Parole clients with the assistance from the Legal Support staff. The attorneys are in court 5 days a week handling these matters. Our attorneys are quite good at resolving these cases swiftly which leads ultimately to greater efficiencies throughout the local criminal justice system. Social Services Workers seek to provide the clients with opportunities for successful reintegration into the community by matching up individuals with local services in an effort to reduce recidivism.

#### 1170(h) Cases:

As is well known, prior to the passage of AB109, individuals who were convicted of crimes were either granted probation and remained under the jurisdiction of local courts, or were sentenced to state prison, in which case they came under the supervision of the Department of Corrections. Under the AB109 sentencing

regimen, offenders can be sentenced to an “Executed Sentence”, whereby they are ordered to serve a specified period of time in custody with no further supervision, or they can be sentenced to a “Split Sentence” whereby a portion of their sentence is incarceration and a portion is supervision by the Probation Department. A violation of the terms and conditions of community supervision often results in the appointment of the Law Offices of the Public Defender to represent the accused violator. These types of cases are heard in the courtroom where the original sentencing took place which can be anywhere in the County and which require the services of a Deputy Public Defender. As it is impractical due to staffing, budgetary, and geographical constraints to assign specific Deputy Public Defenders to handle only AB109 cases which may be heard throughout the County, this Office has adopted the approach of spreading the workload among the staff who are assigned to specific courts.

We have observed that following the passage of Prop 47, which reduced some former felonies to misdemeanors, there has not been a dip in the overall number of split sentences and executed sentences that our Office has handled. The workload from these particular types of cases has still had a substantial impact on this Office. 1170(h) cases are now institutionalized, remain significant in number, and require adequate resources to fulfill our mandates. Overall countywide the Public Defender’s Office handled 411 split sentences in FY 15/16, which averaged out to 34 a month. Through 3/31/17 of this fiscal year, we have handled 284 split sentence cases. For executed sentences, our Office handled 132 cases in FY 15/16 for an average of 11 per month. As of 3/31/17 of this fiscal year, we have handled 99 cases involving executed sentences.

The Law Offices of the Public Defender is committed to providing capable and skilled representation for each 1170(h) client. Thus, like the PRCS and Parole cases, it is necessary that courts county wide be staffed with competent and experienced counsel. This not only benefits the client but the criminal justice system as a whole by reducing errors and the unnecessary expenditure of time and money.

## **FUNDING:**

The Law Offices of the Public Defender will receive State funding for FY 17/18 in the sum of \$904,969.

We estimate that the DA/PD allocation will provide for the following PRCS/Parole staffing:

2	Deputy Public Defenders	\$372,300
2	Legal Support Assistants	\$172,924

	Total:	\$745,621

For the 1170(h) population, we have found that the following positions have adequately met our mandates under the applicable statutes. As a result, we request funding for the continued support of the following positions:

3	Deputy Public Defenders	\$666,653
2	Legal Support Assistants	\$107,936
3	Paralegals	\$307,921
	AB109 Operations 1170(h) Budget:	\$1,082,511
	DA/PD offset:	(\$159,348)
	FY17/18 AB109 Operating Budget Request:	\$923,163

As has been recognized by this committee in the past, The Law Offices of the Public Defender has numerous responsibilities to execute under AB109 Realignment. Moreover, without adequate resourcing, the Office cannot provide the level of support that the Criminal Justice system requires in the Realignment arena. We respectfully ask that the committee use its discretion in this year's budget to continue to support the budgetary request of the Law Offices of the Public Defender so that we may carry out our responsibilities and legal mandates in regards to Realignment.
